UFC Debut / No UFC Stats — Nick Galanti (Red)

Nick Galanti enters with **0 recorded UFC bouts** in the UFC Stats / Greco dataset. This package does **not** invent Octagon rates, empty A/B/C/D tables, leg tables or placeholder fight logs for the debut side. Physicals: Greco TOTT blanks for Height, Reach filled from Sherdog / Tapology (stance not listed); anything still unlisted shows —. **Julien Leblanc** carries the UFC sample (n=1 UFC bout).

Matchup boards still render side-by-side for layout consistency; the debut side's OFF/DEF cells show — where no UFC sample exists (never zeros that imply a career). Pre-UFC record and tape notes: see the Scouting Report.

3. Style Clash (sourced, how they normally win)

Leblanc path: A long kicker-grappler with an even finish split (4 KO / 4 SUB): three RNCs, a triangle, a body-kick TKO and the late R3 knee that cut Weeks for the Samourai MMA title. Admitted slow starter who "sometimes take[s] a round... to warm up" (UFC.com). His UFC debut ended in R1 after an early takedown and back take by Robert Valentin, with **1:42** of control against in 2:22.

Galanti path: A submission-first grappler: early takedowns, guillotine and triangle attacks in scrambles, top pressure into ground-and-pound (Gwerder). The DWCS knockout showed a right hook thrown off the takedown threat. Four of six finishes came in R1–R2. His only 25-minute fight (Clayton) showed both fatigue and positional losses in R3–R4.

Central tension: Galanti's fast takedown-and-choke starts against a slow starter whose only UFC loss came from an early takedown and back take. Leblanc's best regional results came late (Weeks R3 knee; Rohovich R2 RNC); Galanti's came early.

Physicals: Near-identical frames by the available figures (Leblanc 6'2" / 74.5" UFC.com; Galanti 6'1" / 75" Tapology). Stance is not officially listed for either fighter. Age gap **six years** (34 vs 28). Galanti is on short notice but only 53 days removed from a 35-second fight; Leblanc has had a full camp.

4. Optimal Matchup Path (keys — not picks)

For Leblanc (Blue)

- Start fast. His camp goal before Valentin was to win R1, and the fight still ended in R1 after an early takedown.
- Keep Galanti at kicking range with roundhouses to the body and legs; his finishes include a body-kick TKO (Kolker).
- Defend the guillotine on Galanti's entries and scrambles. Two of Galanti's four submissions are guillotines, and he had one locked on Clayton inside the first minute.
- Drag it late. Galanti faded in the middle rounds against Clayton, and Leblanc's biggest win (Weeks) came in the final seconds of R3.

For Galanti (Red)

- Recreate the Valentin blueprint: early takedown, back exposure, choke. Leblanc conceded **1/1** TD and **1:42** control in his debut.
- Use the takedown threat to set up the right hand, as against Petruzzella.
- Manage pace. Front-loading against a fighter who comes on late is fine if it finishes; if not, the Clayton fade is the reference.
- Avoid kicking-range exchanges where Leblanc's length and body kicks work.

Expectation-break watch: (1) Leblanc stopping takedowns and pushing past R1 would test Galanti's cardio. (2) A Galanti R1 submission would repeat the Valentin result. (3) Leblanc landing a late knee or body kick as he did against Weeks and Kolker would be the upset path the market prices at about 20%. (4) A Galanti decision win would be his first fight past R1 on a UFC-produced card.

1. Early Life and Athletic Background

Leblanc was born in Ottawa and lives across the Ottawa River in Gatineau, Quebec (UFC.com; UFC.com feature, Apr 2026). He comes from a hockey family and played hockey for years; he names Sidney Crosby as the athlete he looks up to for "his work ethic and love for the game" (UFC.com Q&A).

He started martial arts at 16 at Patenaude Martial Arts, where high-school friends trained. "I was not a super athletic teenager. I couldn't do a push up," he told UFC.com; he took his first class after watching Georges St-Pierre on TV, "got beat up the first class but loved it," and joined on the spot. Classmates called him "The Asparagus" (UFC.com feature, Apr 14, 2026). He lists no formal belt ranks but describes a background in Jeet Kune Do, kickboxing and no-gi jiu-jitsu (UFC.com Q&A).

He holds a bachelor's degree in criminology from the University of Ottawa and worked as a high-school teacher while fighting (UFC.com Q&A). Amateur record **4-0** (UFC.com facts). Favourite fighter: Jon Jones. Favourite techniques: arm-triangle and the roundhouse kick (UFC.com Q&A).

JULIEN LEBLANC — FIGHT NARRATIVES

Round stats from UFC Stats / UFC Stats for the UFC bout. Regional bouts from Sherdog, Tapology, Radio-Canada and UFC.com.

vs Robert Valentin (Apr 18, 2026) — L SUB R1 2:22 (RNC) — UFC debut, +145 underdog

- **R1:** Valentin, 0-3 in the UFC and fighting for his job, came out fast. He kicked Leblanc's legs (**4/4** leg strikes landed), took him down early (**1/1** TD), climbed to the back and finished the rear-naked choke at 2:22 after **1:42** of control (Greco; MMA Junkie).
- **Fight:** Leblanc **4/6** SS (2 body, 1 leg, 1 head, all at distance) vs Valentin **7/13**; **0** TD attempts; **0:00** CTRL.
- **Tape signal:** Leblanc said beforehand that his camp goal was to win the first round because "sometimes I take a round, even in sparring, to warm up." The fight ended before he could settle in (UFC.com feature).

vs Ryan Rohovich (Nov 21, 2025) — W SUB R2 4:19 (RNC) — Samourai MMA 17

- Short-notice replacement for Neemias Santana at a 181-lb catchweight. Leblanc was a heavy favourite (Tapology community 98%) and finished with a second-round rear-naked choke. He called it the fight where he "just wanted to go in there from the beginning and fight hard" and thought it might be his last (UFC.com feature).
- **Tape signal:** Third straight finish; back-take submission game intact.

vs Darian Weeks (Mar 7, 2025) — W TKO (doctor stoppage) R3 5:00 — vacant Samourai MMA MW title

- **R1–R2:** UFC veteran Weeks controlled the first two rounds; Radio-Canada wrote that for 14 minutes "it smelled like anything but victory" for Leblanc.
- **R3:** After his coaches shook him up in the corner, Leblanc landed a knee in the final seconds that dropped Weeks and opened a deep cut under the right eye. The bout was stopped on the cut at the end of the round, a five-round title fight ending after three.
- **Context:** Fought through a foot injury suffered ten days earlier. Afterward: "I don't know why it took me so long [to attack]. I just know that if I want to fight at the next level, I'm going to have to fix that problem" (Radio-Canada; translated). He calls this the key fight of his career (UFC.com Q&A).

vs Mark Kolker (Jun 14, 2024) — W TKO R2 1:39 (body kick and punches) — Unified MMA 57

- Co-main event in Toronto. Finished a 9-4 opponent with a body kick followed by punches (Sherdog; Tapology).
- **Tape signal:** Roundhouse kick, his self-named favourite strike, as the finishing tool.

vs Joel Bauman (Apr 16, 2021) — L UD R3 — LFA 104, +175 underdog

- His only bout outside Canada. Lost a unanimous decision to the 3-1 Bauman in Oklahoma (Sherdog; Tapology odds).
- **Tape signal:** Second straight decision loss after Lapilus; followed by a two-year layoff.

Cardio / trends: Has gone 15 minutes five times (3-2 in those fights). His two biggest regional wins came late: the Weeks knee in the final seconds of R3 and the Rohovich RNC in the last minute of R2. By his own account he starts slowly (UFC.com; Radio-Canada). His UFC sample is 2:22, with no read on his cardio at this level.

6. Fighting Style, Strengths, and How They Win

- **Long kicker-grappler:** At 6'2" with a 74.5" reach, he names the roundhouse kick and arm-triangle as favourite techniques (UFC.com). Finishes split evenly: four TKOs (one off a body kick) and four submissions (three RNCs, one triangle).
- **Back-take finisher:** Three career RNC wins, including the late-R2 finish of Rohovich.
- **Late-fight danger:** The Weeks title win came from a knee in the final seconds after losing the first two rounds.
- **Experience vs age:** 13 pro fights over 12 years with long gaps; he describes himself as "not a used fighter" without major wars (UFC.com feature).
- **Risk flags:** Admitted slow starter. His one UFC fight ended in 2:22 after an early takedown and back take. Both pre-UFC losses were 15-minute decisions (Lapilus 2018, Bauman 2021). **34** years old into a fighter six years younger.

Expectation Breaks

- **Weeks (Mar 2025):** Down two rounds to a UFC veteran in a five-round title fight, and fighting on an injured foot, he won with a knee in the last seconds of R3.
- **UFC call (Apr 2026):** Signed at 34 off a win over a 6-9 opponent. By his own account he expected the call might never come.

- **Valentin (Apr 2026):** Had never been finished in 12 pro fights, then was submitted in 2:22 by an opponent who was 0-3 in the UFC. UFC.com's athlete header still credits him with a win in that bout.
- **Stat line vs result:** Landed 4 of 6 (66.7%) and absorbed only one head strike, but never got going. The takedown and back take decided it.

1. Early Life and Athletic Background

Galanti is a Howell, New Jersey, native and a former **Wagner College** football player who also lived on Staten Island's Grymes Hill for a time (silive.com, Aug 17, 2026). He found combat sports by joining a jiu-jitsu gym to stay in shape between football seasons.

After college he worked union construction in New York, doing "concrete and cement in high rises," and ran a landscaping business with his cousin. He says he walked away from a six-figure income to fight full-time, after years of sleeping as little as three hours a night and arriving late to the gym (Cageside Press, Aug 26, 2026). "I was still working 10 days before my first amateur fight," he told silive.com.

He started competing during the COVID period, when CFFC "was the only promotion running," and fought six amateur bouts for the promotion (CFFC, Aug 2024). He held the **CFFC NextGen (amateur) middleweight title**; Tapology records his April 2023 CFFC 118 bout against M.A. Yah II, fought as champion, as a unanimous-decision loss. He also holds a FURY Pro Grappling win over UFC welterweight Phil Rowe (majority decision, Dec 2022) (CFFC; Tapology).

4. Professional Fight Promotions and Career Trajectory

CFFC amateur (2021–2023): Six amateur bouts, all for Cage Fury, and the NextGen middleweight title (CFFC; Sherdog amateur listing).

CFFC pro (2023–2026): 7-1. Pro debut triangle choke of Jahrael Cromartie at CFFC 128 (Dec 2023), then a UD over unbeaten Russ Korbul (3-0). First loss: a UD to unbeaten Brandon Holmes (3-0) at CFFC 134 (Aug 2024); Holmes later earned his own Contender Series call (CFFC, Aug 2025). Then five straight wins: guillotines of Monte Morrison (R2, at a 200-lb catchweight) and Shane Sobnosky (R1), a third-round ground-and-pound TKO of Bellator veteran Ty Gwerder, a 71-second RNC of Derek Benoit, and the vacant **CFFC middleweight title** by unanimous decision (48-47 ×3) over unbeaten Austin Clayton (Mar 2026). Every pro fight before DWCS took place in Atlantic City or Philadelphia (Tapology).

Dana White's Contender Series (Aug 25, 2026): KO of Carlos Petruzzella (15-1) at 0:35 of R1 as a –210 favourite; earned a UFC contract (UFC.com; CFFC; Tapology).

NICK GALANTI — FIGHT NARRATIVES

No UFC bouts on record. Fight flow from CFFC.tv reports, MMA Junkie, UFC.com and Tapology; DWCS numbers from UFC.com.

vs Carlos Petruzzella (Aug 25, 2026) — W KO R1 0:35 — DWCS Week 3, –210 favourite, UFC contract

- **R1:** Galanti caught a Petruzzella body kick and shot for a takedown that Petruzzella defended. With Petruzzella backed to the fence, Galanti switched to striking and dropped him with a right hook, then followed with ground strikes before referee Keith Peterson stopped it (CFFC.tv; MMA Junkie).
- **Numbers (UFC.com):** 8/10 SS (1 clinch, 7 ground), **1 KD**, **0/1** TD; absorbed 1 significant strike.
- **Tape signal:** Wrestling entry used to set up the power shot; immediate finishing follow-up.

vs Austin Clayton (Mar 27, 2026) — W UD R5 (48-47 ×3) — vacant CFFC MW title

- **R1:** Takedown inside 25 seconds into a deep guillotine that Clayton refused to tap to, followed by more guillotine and inverted-triangle attempts. Clayton got up and took him down late in the round.
- **R2:** Galanti led early; late Clayton takedowns and time in mount made the round close.
- **R3–R4:** Clayton took over with grappling and position; CFFC wrote that "each man was fatigued." The cards were level 2-2 after four rounds.
- **R5:** Clayton opened with a takedown. Galanti scrambled up and edged the clinch exchanges of short knees and elbows, and all three judges gave him the round. CFFC called the result "perhaps not without some controversy."
- **Tape signal:** His only 25-minute fight; out-grappled for stretches by a larger opponent (6'4") once the early submission didn't land.

vs Ty Gwerder (Aug 30, 2025) — W TKO R3 4:03 (punches) — CFFC 145 co-main

- **R1–R3:** Galanti "controlled the majority of the action, using a dominant grappling game." Bellator veteran Gwerder defended multiple submission attempts, so Galanti flattened him out and finished with ground-and-pound with 57 seconds left (CFFC.tv).
- **Tape signal:** Top pressure for three rounds; switched from submissions to strikes when the chokes weren't there.

vs Brandon Holmes (Aug 16, 2024) — L UD R3 (29-28 ×3) — CFFC 134

- Both men were 6'1"; Holmes (3-0) had a 1.5" reach edge per Tapology and was the community pick (72%). He won all three cards by one point. Holmes later earned a Contender Series call (CFFC, Aug 2025).
- **Tape signal:** His only loss, a close decision against a fellow prospect.

Cardio / trends: Four of his six finishes came in R1 or R2. He has gone the distance three times (2-1), including 25 minutes with Clayton, but that fight showed both men fading from R2 on. His DWCS win lasted 35 seconds, so he has never gone past one round on a UFC-produced card.

6. Fighting Style, Strengths, and How They Win

- **Submission-first grappler:** Four pro submissions (two guillotines, an RNC, a triangle). Opens fights with takedowns (Clayton inside 25 seconds; first move vs Petruzzella) and attacks the neck in scrambles. Grappling pedigree includes a FURY Pro Grappling win over UFC welterweight Phil Rowe.

- **Top pressure into ground strikes:** Kept Gwerder on the mat for most of three rounds before finishing with punches.
- **Power off the wrestling threat:** The Petruzzella KO came from a right hook thrown after the takedown attempt. "Every fight I have, I go for a finish" (silive.com).
- **Risk flags:** Pro résumé is entirely CFFC plus one DWCS fight. Fatigued in his only five-round fight and lost positional battles to Clayton in R3–R4. His only loss, to Holmes, was a 15-minute decision. Height, reach and stance are not on any official UFC source.

Sources: CFFC.tv; MMA Junkie; UFC.com; silive.com; Tapology; Sherdog.

Expectation Breaks

- **Petruzzella (Aug 2026):** A grappler whose DWCS opponent was 15-1 won with a 35-second right-hook knockout.
- **Clayton (Mar 2026):** Had a deep guillotine in the first minute, then needed a unanimous 10-9 fifth round to win the title.
- **Holmes (Aug 2024):** His only loss came to an opponent who also reached the Contender Series.
- **Career path:** Left a six-figure construction job and turned pro in December 2023; less than three years later he is a UFC debutant and roughly a 5-to-1 favourite.

7. Community / Expert Predictions and Sentiment

Label: opinion / media narrative — not facts about fight outcome.

- **Model view:** FightIQ picks Galanti at 81% confidence (opinion).
