Material Greco vs published ufcstats note: Ko's UFC.com career figures include his Contender Series bout (189/375 significant strikes, SLpM 3.15, SApM 1.93), and its takedown line (6/23) does not match Greco's 10/17 for the three UFC fights. UFC.com shows Turman's takedowns at 4/48 (8%); Greco counts 10/48. UFC.com's record strips label Ko's loss to Lebosnoyani and Turman's last three losses as "Win." Package math uses Greco.

3. Style Clash (sourced, how they normally win)

Ko path (how he has been winning): Judo/sambo top control. He went **10/13** on takedowns and controlled Rowe and Elliott for **23:25** of 30 minutes, landing **40** ground strikes across the two fights. His striking is pressure behind jabs and a reaching left, and opponents land just **1.47** per minute on him. Before the UFC he had six stoppage wins, three in under a minute.

Turman path (how he has been winning): Submissions and scrambles. Eight pro submission wins, including an armbar from his back against Cirkunov for Performance of the Night. He lands **51.2%** of his significant strikes, including **65/74** leg kicks, and goes **51/58** in the clinch.

Central tension: Ko's takedowns against Turman's guard. Turman stuffs only **42.9%** of takedowns and absorbed **86** ground strikes in nine UFC fights. Petroski took him down 8 times, and Silva finished him with punches from his guard. But Turman's best UFC win came off his back, and Ko's last fight showed the counter: Lebosnoyani jumped two guillotines on his entries and stopped all four of his takedowns (Sherdog; Greco). Three of Turman's eight submission wins are guillotines.

Physicals: Turman is two inches taller (**6'0"** vs **5'10"**) with one inch more reach (**72"** vs **71"**); UFC.com lists his leg reach at 41" to Ko's 37". Ko is the southpaw and about three years older.

Shared opponents: None.

4. Optimal Matchup Path (keys — not picks)

For Ko (Blue)

- Wrestle. Turman's takedown defence is 42.9%, and Petroski's **6/7** takedowns across R2 and R3 turned that fight.
- Stay out of the guillotine. Lebosnoyani caught two on Ko's level changes, and Turman has three guillotine wins.
- Land punches from top position, not just hold it. Turman absorbs on the ground at **77%**.
- Keep the jab going. Sherdog saw it slow in R3 against Lebosnoyani, the round in which Ko absorbs the most.

For Turman (Red)

- Win R1 at range. He out-landed Petroski **33-25** in R1 and nearly matched Gooden (**27-28**) before both fights turned.
- Kick the legs. He lands **88%** of his leg kicks, and Ko has stopped only 2 of the 12 thrown at him in the UFC.
- Punish the entries with front headlocks, as Lebosnoyani did.
- Don't chase takedowns. He is **10/48** in the UFC, including **0/10** against Bruno Silva.

Expectation-break watch: (1) Ring rust: Turman has not fought for 1,071 days and has had four shoulder surgeries since. (2) A submission off Turman's back, as against Cirkunov. (3) Ko's gas tank after the R2 fade against Lebosnoyani. (4) A Ko stoppage — he has none in the UFC. (5) Turman's +650 price against Dulatov says how the market sees his return.

1. Early Life and Athletic Background

Ko got into martial arts while serving in the military, watching fights. "As soon as I got out, I immediately started looking for training," he says, putting the start "around seven or eight years ago" (UFC.com Q&A). He dropped out of Kyonggi University and worked part-time jobs before MMA. He has his parents and an older brother, and away from the gym he likes coffee and travel (UFC.com Q&A).

His grappling base is judo and sambo. He holds a **judo black belt** and a **BJJ purple belt**, won the **Sambo World Championships as an amateur**, and calls himself "the first world champion in sambo from Korea" (UFC.com Q&A). UFC.com lists his fighting style as Judo.

He names Bo Nickal, Dong Hyun Kim, Robbie Lawler and Jon Jones as his favourite fighters. The nickname came from Dong Hyun Kim, "because he said I look like him" (UFC.com Q&A). His toughest fights, he says, were his first three: "I was inexperienced, which made me really tired, and I used up a lot of energy."

4. Professional Fight Promotions and Career Trajectory

Hong Kong and Japan (2018): 2-1. Turned pro in Hong Kong with a decision over Nosherwan Khanzada at V Combat (Jan 2018), was knocked out by Sasha Palatnikov in R2 two months later, then beat Kyohei Wakimoto by decision at Neo Fight 14 (Sherdog).

Korean regional, AFC era (2018–2023): 8-1. A 0:42 KO of Hoi Gil Kim at AFC 9 started a run of finishes. He won the vacant AFC 170-lb title against Jae Young Ahn (May 2021), lost the Double G FC welterweight title he held to Han Seul Kim by R1 KO (Dec 2021), then moved up and won the vacant AFC middleweight title when Jae Woong Kim retired after R2 (Dec 2022) (Tapology; Sherdog). He stopped the 61-fight veteran Ryuta Sakurai at middleweight in the AFC 24 x HEAT 51 main event and Alwin Kincai at welterweight at AFC 29 (Sherdog; Tapology). Source differences: Tapology dates the Kincai fight Dec 8, 2023 and times it at 0:58 (left hook, then ground and pound); Sherdog has Dec 9 and 0:48. Tapology times the Park KO at 0:51 and the Han Seul Kim loss at 1:05 (Sherdog: 0:53 and 1:06). UFC.com's fighter facts list "three finishes under a minute (0:42, 0:51, & 0:58)", which follows Tapology's times. Tapology scores the Wakimoto fight a majority decision (Sherdog: unanimous), spells the AFC 9 opponent "Hoe Kil Kim", and calls the Palatnikov event JUST Challenge. UFC.com's record strip labels the Lebosnoyani loss a "Win"; its fighter facts correctly say he lost. Greco excludes the Contender Series bout.

Amateur: No amateur MMA record is listed on Sherdog or Tapology. His listed amateur accomplishment is a Sambo World Championships title (UFC.com Q&A).

Round stats from UFC Stats / UFC Stats (UFC fights only; the Contender Series bout is not in the Greco data). Official results from Sherdog / UFC.com. Odds from Tapology.

vs Jean-Paul Lebosnoyani (Jul 18, 2026) — L UD (29-28 ×3) — UFC Fight Night 281, Oklahoma City, –180 favourite

- **R1:** Ko out-landed him **25/61** to **15/51**, walking forward with his hands low and reaching around the guard with his left. Lebosnoyani threw him to the mat from a clinch, tried a standing arm-triangle as Ko got up, and later jumped guard for a guillotine off a Ko level change and rolled to mount. Ko escaped and clipped him on the way up. All three Sherdog scorers gave Ko the round (Sherdog).
- **R2: 17/49** to **15/34**, and Ko had more control (**1:33** to **1:12**). Lebosnoyani jumped another guillotine as Ko swung his way in; Ko escaped to top position and landed punches. Sherdog then noted Ko “starting to fatigue”, and Lebosnoyani hit a double-leg off a Ko overhand right and took mount briefly. Sherdog’s scorers gave Lebosnoyani the round.
- **R3:** Ko out-landed him again, **24/58** to **22/67**, but Sherdog noted his jabs “coming out slower”. With about a minute left Lebosnoyani ducked under a Ko right hand for a takedown, then pinned him on the fence; he landed **6/12** in the clinch in the round (Sherdog; Greco).
- **Fight: 66/168** (39%) vs **52/152**; takedowns **0/4** vs **3/4**; Ko had **1:47** of control to Lebosnoyani’s **2:09**. Lebosnoyani had **2** submission attempts.
- **Tape signal:** He won the striking count in all three rounds and still lost every card. His takedowns did not land, his level changes drew two guillotines, and his output dropped late.

vs Phil Rowe (Nov 1, 2025) — W UD (30-26, 30-27, 30-27) — UFC Fight Night: Garcia vs. Onama, –185 favourite

- **Fight:** Four takedowns from four attempts, one in each round after two in R1, and **13:10** of control (**4:30 / 4:32 / 4:08** by round). He landed **36/42**, **24** of them on the ground. Rowe landed **4** significant strikes in 15 minutes (Greco).
- **Tape signal:** The clearest version of his game: a judoka/sambist who wins positions and keeps them. Judge David Lethaby scored it 30-26.

vs Oban Elliott (Jun 21, 2025) — W UD (30-27 ×3) — UFC on ABC 8, Baku, +360 underdog (UFC debut)

- **R1: 2/5** takedowns and **1:36** of control; Elliott had **1:41** of control of his own, and Ko out-landed him **8** to **4**.
- **R2–R3: 4/4** takedowns, **8:39** of control, **14** ground strikes and a submission attempt in R2 (Greco).
- **Fight: 33/61** vs **10/31**; **6/9** takedowns; **10:15** of control. Elliott had been on an eight-fight win streak and entered 3-0 in the UFC (Bloody Elbow; BBC Sport). Bloody Elbow had Elliott a 5-to-1 favourite; only 7% of Tapology picks went to Ko.
- **Tape signal:** The takedowns kept coming after R1 and Elliott had no answer.

vs Igor Cavalcanti (Sep 3, 2024) — W UD — Contender Series 2024, Week 4 main event, +240 underdog

- **Fight:** Three rounds against the unbeaten 9-0 Cavalcanti, refereed by Jason Herzog. He won a contract (Sherdog; Tapology; Bloody Elbow).
- **Tape signal:** The first of two straight wins as a clear underdog. No round data is published in the UFC Stats data used here.

Regional pattern (Sherdog): All six KO/TKO wins came in R1 or R2, three of them in under a minute. His two losses before the UFC were both knockouts by punches.

Cardio / round trends (Greco, 3 UFC fights): 15.3 / 14.3 / 15.3 significant strikes landed in R1/R2/R3; opponents landed **6.7 / 6.0 / 9.3**. He averages **2:07 / 3:27 / 2:51** of control by round. R3 is the round he absorbs the most, and the Lebosnoyani R3 was his worst.

6. Fighting Style, Strengths, and How They Win

- **Judo/sambo top game: 10** takedowns and **25:12** of control in three UFC fights. Against Rowe and Elliott combined, **10/13** takedowns and **23:25** of control (Greco).
- **Ground strikes: 43/52** on the ground, almost a third of his landed strikes.
- **Defence:** Opponents land **1.47** per minute, a 94th-percentile mark, and have never put him on his back for long (**1:20** per 15).
- **Pressure striking:** Against Lebosnoyani, the one UFC opponent who stopped his takedowns, he still landed **66** significant strikes and won the count in every round. Sherdog described him walking forward with his hands low behind power jabs and a reaching left hand that became telegraphed as the fight went on.
- **Risk flags:** His level changes drew two jumping guillotines from Lebosnoyani, and his takedowns went **0/4** in that fight. He has given up **3** of **6** takedown attempts. His output and pace faded in R2 and R3 of the loss, and R3 is the round he absorbs the most. He has no UFC knockdowns and no pro submission wins. He was stopped by punches twice before the UFC.

1. Early Life and Athletic Background

Turman is from Curitiba. He started martial arts “just for sport”, but “started to love fighting and things went very natural for me since” (UFC.com Q&A). He never had another job: “I always focused myself on being an MMA fighter for a living.” The nickname is about how early he started: “Because I’m very young, still.” He turned pro at 18 in August 2014 after a 4-0 amateur run that year (Sherdog).

He holds black belts in **Brazilian jiu-jitsu** and **Muay Thai**, and UFC.com lists his style as jiu-jitsu. His favourite grappling technique is the rear-naked choke and his favourite strike the high kick. His favourite fighter is **Alex Pereira**: “He’s a great friend, and I’ve seen his journey from the beginning.” Outside the cage he says he is laid-back and single, with two nephews “who are like sons to me” and a dog named Ragnar. He names family as his biggest motivation and the Vikings as an inspiration (UFC.com Q&A).

Posts that matter (sourced, not invented captions):

- His public comments on the Dulatov cancellation came through an MMA Fighting interview (§3), not social posts.

3. Injury History and Medical Information

Documented items:

- **Four shoulder surgeries (before the 2026 return):** MMA Fighting reported that he was “sidelined that long due to four shoulder surgeries” before his planned July 2026 return. In his UFC.com Q&A he says he “spent nearly three years away from competition, went through four surgeries, and faced a lot of uncertainty.”
- **Dulatov cancellation (Jul 25, 2026):** His comeback against Islam Dulatov at UFC Fight Night: Ankalaev vs. Guskov in Abu Dhabi was cancelled hours before the event when Dulatov was hospitalised with an infection (MMA Fighting). Turman had weighed in at 170 (Tapology). He told MMA Fighting it was “heartbreaking” and that it “showed a bit of a lack of professionalism” from Dulatov. He received his show money.
- **Earlier withdrawals (Tapology):** Sean Strickland (Oct 31, 2020; Turman tested positive for COVID-19), Aliaskhab Khizriev (Feb 6, 2021; Turman withdrew) and Julian Marquez (Jun 18, 2022; Turman withdrew). A Jan 22, 2022 bout with Rodolfo Vieira was also cancelled. A 2018 Contender Series booking against Leonardo Silva fell through over Turman visa issues.
- **Durability:** Stopped three times, all in the UFC. Andrew Sanchez knocked him out at distance (R1 4:14, the only UFC knockdown he has absorbed), Bruno Silva finished him with punches from guard (R1 4:45), and Jared Gooden submitted him with a rear-naked choke (R2 1:11) (Greco; Sherdog).
- **Into Ko (Nov 2026): 1,071 days** since the Gooden loss (Dec 2, 2023).

No medical clearance claim beyond public activity and the confirmed booking.

4. Professional Fight Promotions and Career Trajectory

Brazilian regional (Aug 2014 – Jan 2016): 9-1. Turned pro in August 2014 and fought 10 times in under 18 months, finishing eight opponents on shows including Curitiba Fight Pro, Striker’s House Cup, Gladiator Combat Fight and Max Fight (Sherdog). His only loss in that span was a decision to Gian Siqueira at XFC International 12 (Nov 2015).

Imortal FC, Brave and Future FC (May 2016 – 2019): 6-1. Went 4-1 under the Imortal FC banner (losing a decision to Carlston Harris in December 2016), submitted Sergio de Fatima at Brave CF 8 in 2017, and choked out Marcio Alexandre Jr. at Future FC 4 in April 2019 (Sherdog). UFC.com lists him as a former Imortal FC and CFP middleweight champion. A Max Fight 23 booking in June 2019 was cancelled when he signed with the UFC (Tapology).

UFC (2019–2023): 3-6. He debuted at middleweight in July 2019 against Karl Roberson as a **+170** underdog and lost a split decision. He won a unanimous decision over Markus Perez in São Paulo, then was knocked out in back-to-back fights by Andrew Sanchez and Bruno Silva. He won a split over Sam Alvey and submitted Misha Cirkunov with an armbar from his back in a co-main event, earning **Performance of the Night** (Tapology). Then three straight losses: decisions to Andre Petroski at UFC 281 and to Randy Brown in his welterweight return, and the Gooden choke.

Layoff (2024–2026). Four shoulder surgeries, then the Abu Dhabi comeback that fell through on fight day. He told MMA Fighting he was open to a rebooking at UFC 333; this Ko bout is his return.

Source differences: Tapology dates the Atilio fight Dec 1, 2018 (Sherdog: Dec 2), times the Butiski stoppage at 0:25 (Sherdog: 0:26) and gives the Diego Siqueira finish as knee and punches. Tapology lists Marcio Alexandre Jr. at 16-4 entering (Sherdog-derived: 15-4), Dyego Roberto at 13-11-1 (13-10-1) and Diego Pedroso at 0-2 (0-0). Tapology has no method for the Edivaldo Siqueira and Machado wins, listing them only as regional events. Tapology names the Perez referee as Eduardo Herdy; Sherdog has Jerin Valel. UFC.com's record strip labels the Gooden, Brown and Petroski losses as "Win"; its fighter facts correctly describe all three as losses. All nine UFC results match Greco.

Amateur (Sherdog): 4-0 in 2014 — Leo Torres (armbar, R1 0:33, Striker's House Cup 33), Michel Michel (split decision, Curitiba Fight Pro), Joao Antonio de Oliveira Gois (majority decision, 2 rounds, Aspera FC 7) and Paulo Silva (armbar, R1 1:05, Gladiator Combat Fight 5). Tapology lists only the Gois and Paulo Silva wins.

Welterweight Division Context

Upcoming bout is billed **Welterweight**. Division pool (n=453): Fighters whose majority of UFC bouts are in billed class 'Welterweight', OR whose most recent UFC bout is in that family. **Last Greco weight class:** Ko = **Welterweight Bout**; Turman = **Welterweight Bout**. Values: fighter · division average · delta · standing in division. Control rows show seconds and % of a 15-min fight.

Division-context caveat

Wellington Turman’s career rates below were compiled mostly at middleweight (7 of 9 UFC bouts at 185; his last two, in 2023, were at welterweight). His last UFC bout was Dec 2, 2023 — treat Welterweight-pool deltas as cross-class context, not like-for-like.
