Each fighter has one UFC bout: Nakamura **13.8 minutes** against Szalay, Schmid **2.8 minutes** against Rahiki. Road to UFC bouts are not in the Greco data. Percentiles are not computed for one-fight samples; every number below is a single-fight rate, and Schmid's comes from under three minutes.

Both fighters vs the Featherweight division baseline (Greco, n=304):

Metric	Nakamura (1, 13.8 min)	Schmid (1, 2.8 min)	Div avg	Read
SLpM / SApM	3.26 / **5.72**	3.23 / **7.90**	3.48 / 3.93	Same output; both absorbed well above avg in their UFC fight

Regional comparison (Sherdog/Tapology):

1 (W)	**Fights to the final bell**	1 (W)

5-0-1 (Sherdog; UFC.com)	**Amateur**	6-3 (Sherdog); 8-3 (UFC.com)

Material Greco vs published ufcstats note: Nakamura's UFC.com career figures include his two Road to UFC bouts (162/389 significant strikes, SLpM 4.48, takedown defence 79%), so they do not match Greco's single UFC fight. Schmid's Greco rates match UFC.com. UFC.com's record strip labels Schmid's loss to Rahiki a "Win." Package math uses Greco.

3. Style Clash (sourced, how they normally win)

Nakamura path (how he has been winning): Southpaw striking and finishes. Seven KO/TKO wins in eight, five in R1; the two tournament finishes were knees, the Szalay one timed as Szalay dipped in with his left hand (MMA Fighting). Against Szalay **53%** of his landed strikes went to the body or legs. He has gone the distance once, against Kaiwen Li.

Schmid path (how he has been winning): Taekwondo-based striking. All three KO wins came in R1, two by spinning backfist, the latest a 15-second KO of Jeffrey Mesa (Sherdog). In his UFC fight every landed strike went to the legs (**6/9**) or body (**3/6**).

Central tension: Nakamura's power and durability against Schmid's durability. Nakamura has never been stopped by strikes and took **79** significant strikes from Szalay without a knockdown; Schmid has been stopped by punches twice, including a R1 knockdown and finish in his UFC debut. The open question on Nakamura's side is pace: he was out-landed in all three rounds of his UFC fight, absorbed **5.72** per minute and **24** body strikes, and needed the R3 finish. Neither fighter has attempted a takedown in the UFC, though each lost his pro debut on the mat (arm-triangle; rear-naked choke).

Physicals: Schmid is listed an inch taller (**5'11"** UFC.com vs **5'10"**) and an inch longer in reach (**71"** Tapology vs **70"**); Tapology lists Schmid at 6'0" and Sherdog at 5'9". Nakamura is the southpaw. Schmid is about two years younger.

Shared opponents: None. **Other links:** Both made their UFC debuts in Australia in 2026 — Nakamura in Sydney (UFC 325), Schmid in Perth.

4. Optimal Matchup Path (keys — not picks)

For Nakamura (Blue)

- Press early. Schmid's three KO wins came in R1, but so did his UFC loss, and he has been stopped by punches twice.
- Look for the knee on Schmid's entries, as against Park and Szalay.
- Keep investing to the body and legs, where he landed at **61%** and **87%** against Szalay.
- Close the volume gap. He was out-landed in every round of his UFC fight and cannot rely on a late finish every time.

For Schmid (Red)

- Stay at range with the kicks to the legs and body, where all nine of his UFC strikes landed.
- Find the head. He landed **0/15** to the head against Rahiki.
- Out-work him early. Szalay won two rounds on volume against Nakamura before the knee landed.
- Watch the entry. Szalay was caught dipping in with his left hand.

Expectation-break watch: (1) Schmid's chin against a fighter with seven KO/TKO wins in eight. (2) A spinning backfist from Schmid against a fighter never knocked down. (3) Volume: Szalay out-landed Nakamura 79-45 and still lost. (4) A first takedown from either side — neither has one in the UFC. (5) Ring rust: Nakamura has not fought for 280 days.

1. Early Life and Athletic Background

Before fighting, Nakamura served in the **Japan Maritime Self-Defense Force** (UFC.com Q&A). He says he started training "five years ago." His heroes outside the sport are the artist Taro Okamoto and Snoop Dogg, "because they give me passion and joy of life," and his favourite fighters are Conor McGregor and Khabib Nurmagomedov. Away from the gym he spends time with teammates, gets out into nature and relaxes in Japanese onsen. His message to fans: "Love this planet. Love people." (UFC.com Q&A).

He had three amateur bouts between 2020 and 2021, turned pro in April 2022, and lost that debut by arm-triangle choke. He calls it his toughest fight: "I didn't know any ground fighting in a fight" (UFC.com Q&A). He has won every pro fight since.

KEIICHIRO NAKAMURA — FIGHT NARRATIVES (UFC + Road to UFC)

Round stats from UFC Stats / UFC Stats (UFC 325 only; Road to UFC bouts are not in the Greco data). Official results from Sherdog / Greco DETAILS. Odds from Tapology.

vs Sebastian Szalay (Jan 31, 2026) — W TKO (knee and punches) R3 3:48 — UFC 325, Sydney, near even (+110)

- **Context:** The Road to UFC Season 4 featherweight final, on the UFC 325 prelims, for the tournament title and a UFC contract (MMA Fighting).
- **R1:** Szalay out-landed him **23/63** to **13/33**. Nakamura landed **8/8** to the legs and only **2/18** to the head.
- **R2:** Szalay again, **24/78** to **11/39**, with a takedown (1/1) but no control time. MMA Fighting and Sherdog both had Szalay controlling the first two rounds.
- **R3:** Told by his corner to “have a streetfight,” he walked forward. He landed **21/47**, including **6/7** to the body, while Szalay landed **32/63**, **12** to the body. With just over a minute left, as Szalay dipped to throw his left hand, Nakamura timed a knee up the middle that caught him on the chin. Two follow-up punches and Herb Dean stopped it (MMA Fighting; Sherdog). Greco: one knockdown and **3/4** ground strikes.
- **Fight: 45/119** (38%) vs **79/204** (39%); **0/0** takedowns; **0:04** of control.
- **Tape signal:** He trailed on volume in every round and won with one timed knee. He took **79** significant strikes and was never knocked down.

vs Kaiwen Li (Aug 22, 2025) — W UD — Road to UFC Season 4 semifinal, Shanghai, –130 favourite

- **Fight:** Three rounds against a 15-6 opponent; his only pro fight to go the distance (Sherdog). 71% of Tapology picks were for him.
- **Tape signal:** Proof he can win 15 minutes, though no round data is published in the UFC Stats data used here.

vs Eo Jin Park (May 22, 2025) — W KO (knee) R2 2:24 — Road to UFC Season 4 quarterfinal, +285 underdog

- **Fight:** A knee finished the 9-1-1 Park in R2, with Marc Goddard refereeing (Sherdog). Only 7% of Tapology picks were for him.
- **Tape signal:** The first of two tournament knee finishes, and his biggest upset by the odds.

Regional pattern (Sherdog): All five regional wins from Dec 2022 to Oct 2024 were R1 stoppages by punches, between 1:19 and 4:28.

Cardio / round trends (Greco, 1 UFC fight): 13 / 11 / 21 significant strikes landed in R1/R2/R3; Szalay landed **23 / 24 / 32**. The one sample says his output rose in R3, but it also says he absorbed more in R3 than in either earlier round.

Tapology names the Perth finish "left hook to ground punches"; Greco records the KO/TKO as a punch to the head at distance, and Sherdog as TKO (punches). Weight designations and billing are from Tapology; the Webb fight was at lightweight, and every later bout with a listed weight was at featherweight. UFC.com's athlete-record strip labels the Rahiki loss a "Win"; its fighter facts correctly state he was stopped at 2:47 of R1.

Amateur: 6-3 over nine bouts (Sherdog). UFC.com reports **8-3** (3 KOs). Tapology lists two further Born to Fight bouts that Sherdog does not have — Kyle Murtagh (Nov 28, 2020, KO/TKO R1, 155 lb) and Jack O'Connor (Apr 21, 2021, majority decision, 170 lb) — without a confirmed result on either.
