3. Style Clash (sourced, how they normally win)

Yana path (how she has been winning): Accurate, body-heavy kickboxing. She lands **57.9%** of her strikes (96th percentile) and **41.2%** of them go to the body. All seven UFC wins went to decision, and she has out-landed every opponent in her current three-fight streak (Chandler 94-56, Tate 66-40, Chiasson 65-54).

Luana path (how she has been winning): Judo and top control. She averages **8:17** of control per 15 minutes (95th percentile) and has submitted two UFC opponents (keylock, rear-naked choke). She has won rounds while being out-landed, beating Croden despite landing 12 strikes to 22.

Central tension: Yana's takedown defence (**51.6%**) against Luana's control game. Holly Holm (**9:49** of control) and Ketlen Vieira (**8:38**) both held Yana down for long stretches, though Vieira still lost after landing only seven strikes. Luana's output on the feet is low (**2.53** landed per minute), and her only UFC loss came when Casey O'Neill stopped her takedowns. Luana has absorbed **0** knockdowns in the UFC; Yana has been stopped by strikes three times, twice by ground punches.

Physicals: Same height. Yana has a **1.5"** reach edge (UFC.com). Luana is ten years younger, and Yana is coming off a **392-day** layoff.

Shared opponent: Karol Rosa. Yana lost a split decision to Rosa at featherweight in July 2023 despite out-landing her **95-66**. Luana beat Rosa by unanimous decision in June 2026 with **12:21** of control while landing only **9** significant strikes (UFC Stats; Sherdog).

4. Optimal Matchup Path (keys — not picks)

For Yana (Blue)

- Keep the fight standing and win the volume count. She lands **4.41** per minute to Luana's **2.53**.
- Attack the body. **41.2%** of her landed strikes go there, and Luana's output falls in every round.
- Defend the first clinch entry and get back up quickly. Chiasson took her down twice but held only **3:43** of control.
- Make the late rounds a striking contest. Luana's output drops to **4.5** landed in R3.

For Luana (Red)

- Get the takedown early and hold position. She has averaged **8:17** of control per 15 minutes.
- Clinch against the cage to take away the body kicks.
- Hunt the keylock and the back on top — two UFC submission wins.
- Avoid a long striking exchange; O'Neill out-landed her **83-41** when the takedowns failed.

Expectation-break watch: (1) Yana's ring rust after more than a year out. (2) Luana's takedown accuracy (**37.9%**; 2 of 10 against Rosa) against a more experienced defender. (3) Whether Yana can again win rounds while conceding control, as she did against Vieira (8:38 against). (4) A finish — Yana has not stopped anyone since 2016.

She has cited Ronda Rousey as her inspiration, and the judo link earned her the "Brazilian Ronda" label (Wikipedia).

She came to MMA almost by chance after an invitation to train at 011 MMA in São Paulo, and went 3-0 as an amateur in SFT from 2019 to 2020 (Wikipedia; Sherdog).
